Trauma AIMS (2nd Priority)

- 68 Hours Advanced EMS Skills Course
- Must have NREMT-B
- BTLS/PHTLS not required
- Integrated course approval process:
  - Approved EMT sites may also teach Trauma AIMS with qualified instructors

Trauma Assessment

Airway

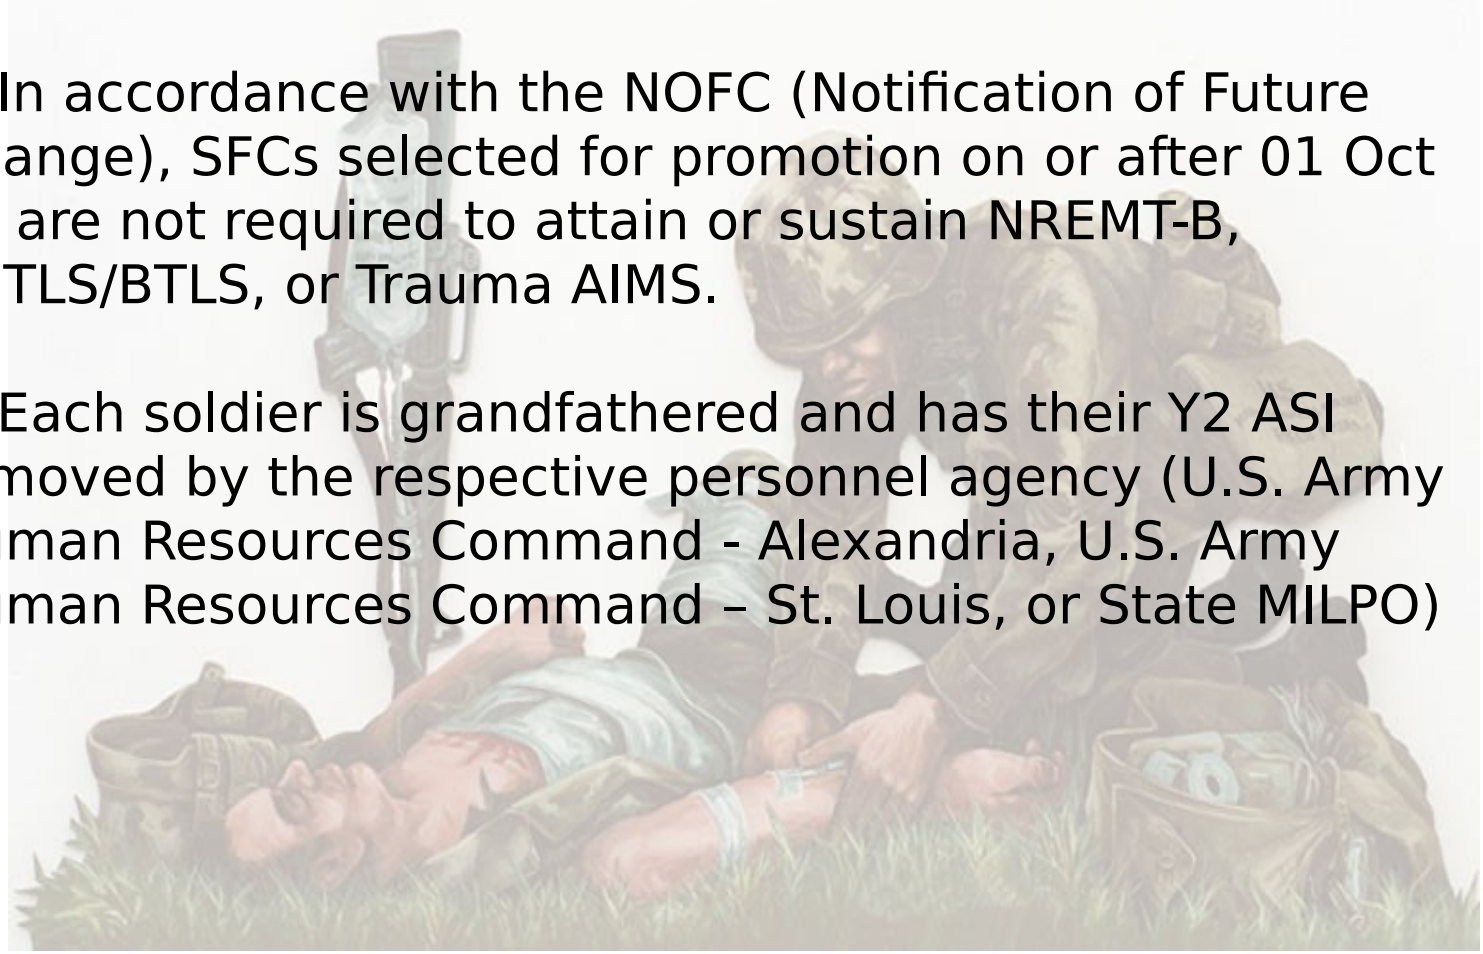
Intravenous Therapy

Medication & Pharmacology

Shock Management

91W Capped MOSs

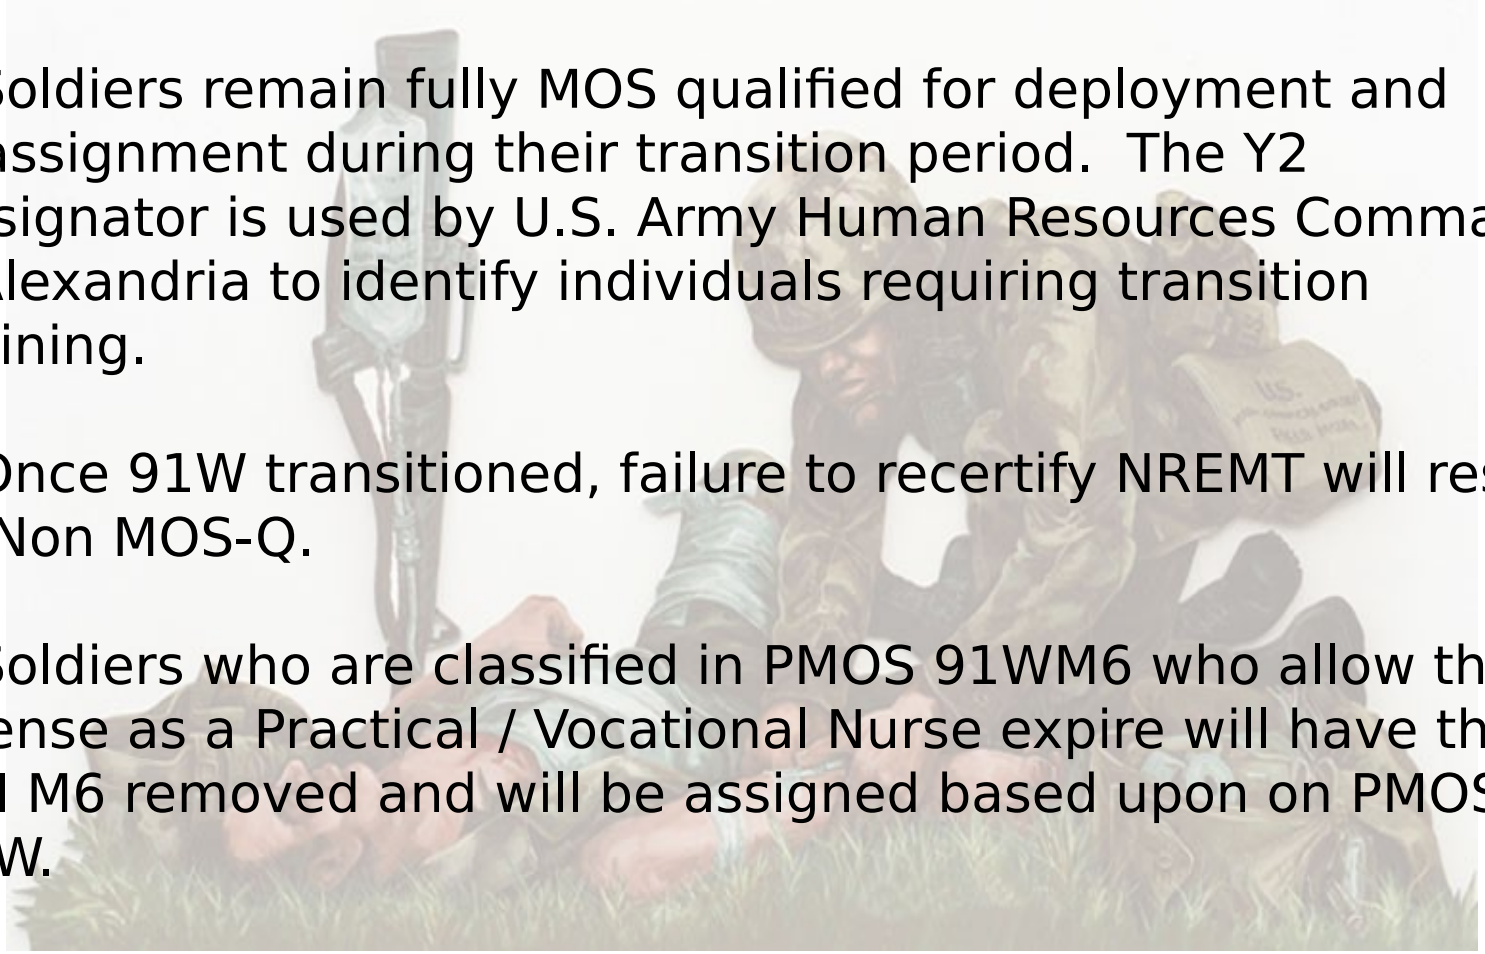
91D, 91V, 91H, 91X and 91Ws



- In accordance with the NOFC (Notification of Future Change), SFCs selected for promotion on or after 01 Oct 01 are not required to attain or sustain NREMT-B, PHTLS/BTLS, or Trauma AIMS.

- Each soldier is grandfathered and has their Y2 ASI removed by the respective personnel agency (U.S. Army Human Resources Command - Alexandria, U.S. Army Human Resources Command – St. Louis, or State MILPO)

MOS Qualification



- Soldiers remain fully MOS qualified for deployment and reassignment during their transition period. The Y2 designator is used by U.S. Army Human Resources Command – Alexandria to identify individuals requiring transition training.

- Once 91W transitioned, failure to recertify NREMT will result in Non MOS-Q.

- Soldiers who are classified in PMOS 91WM6 who allow their license as a Practical / Vocational Nurse expire will have their ASI M6 removed and will be assigned based upon on PMOS 91W.

- If this soldier is assigned to a M6 position, they may be reassigned to a 91W Non-M6 position at the discretion of The Army.

AMEDD BNOCC

AMEDD BNCOC is a 91W Transition Enabler. Students receive:

Phase 2 AMEDD NCO Basic - 6-8-C40 (91WY2)

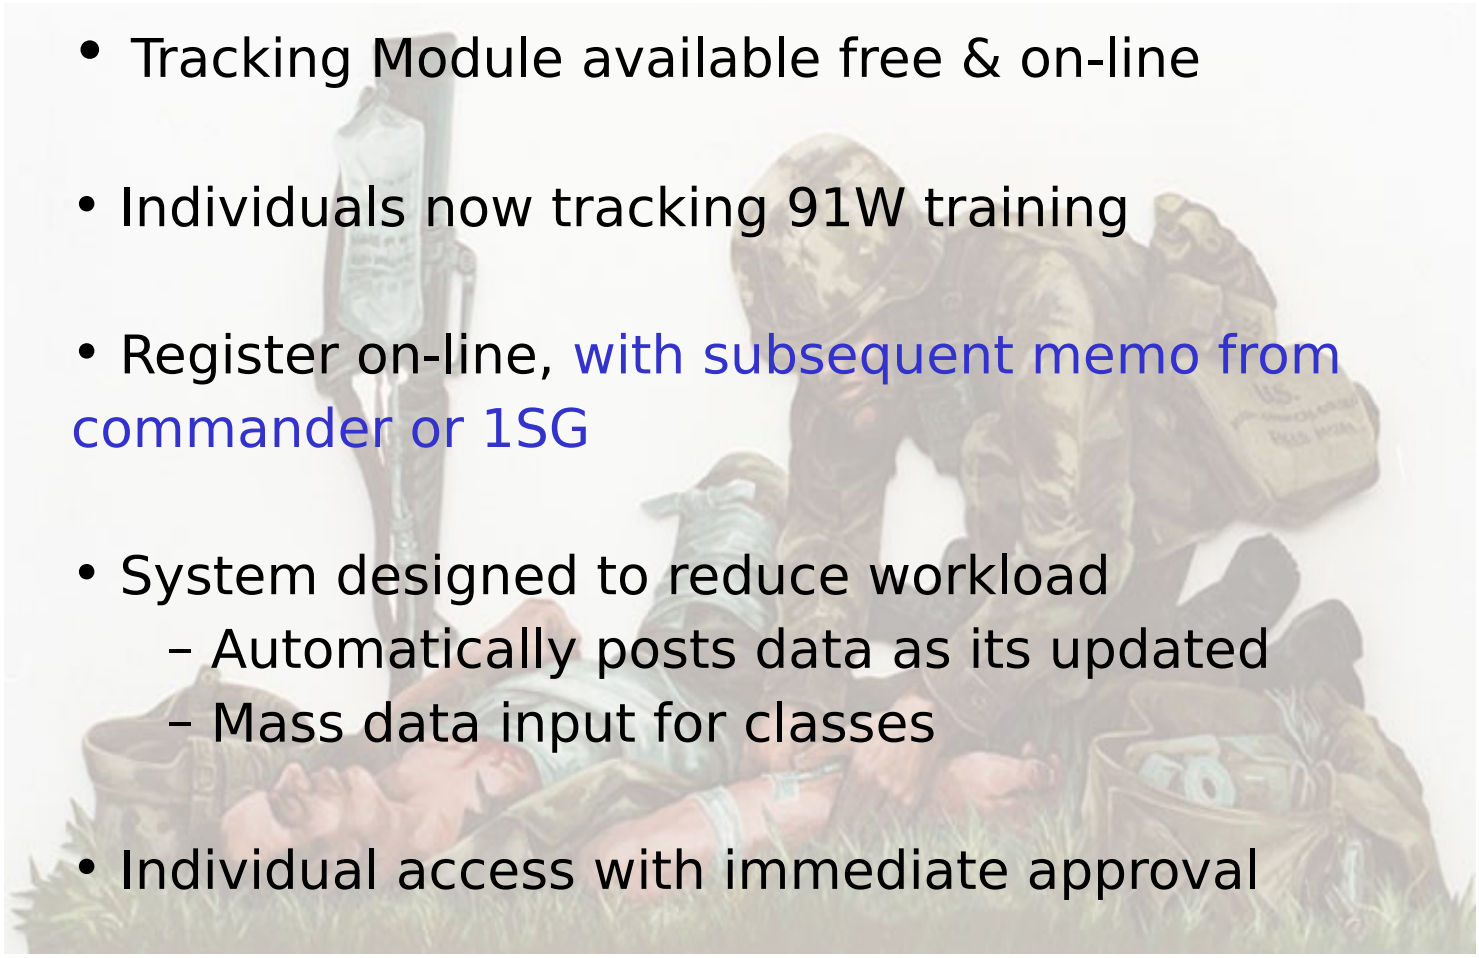
- National Registry EMT-Basic
- Basic Trauma Life Support
- Trauma Management
- 14 weeks & 4 days of training in total

For soldiers who have completed the Transition Process to include ASI Y2 Removal the following course has been established:

Phase 2 AMEDD NCO Basic 91W - 6-8-C40 (91W30 Tech Training)

- 7 weeks & 4 days of career management field training for those already 91W transitioned (Y2 removed)
- Soldiers who require BNCOC and who are transitioned are automatically scheduled for this course by the U.S. Army Human Resources Command.

Tracking



- Tracking Module available free & on-line
- Individuals now tracking 91W training
- Register on-line, with subsequent memo from commander or 1SG
- System designed to reduce workload
  - Automatically posts data as its updated
  - Mass data input for classes
- Individual access with immediate approval
- Enables command involvement
  - Individual, unit, command drill-down access reports
